## Reading Festival @ Xinghua

To promote reading, the school engaged the support of PSG team for the Reading Festival. There were fun and reading-related games for students to participate in. PSG members engaged students with the reading activities at the game booths.

## Values in Action (VIA): Parent-Child Bonding Activity

This year, the school organised a parent-child bonding cum VIA activity, which was extended to all parents of Xinghua Primary students. This was to encourage parent-child-bonding through inculcating social responsibility and empathy. PSG members supported the parents and students during the visit to a nursing home where participants entertained the residents through painting and singing activities.

## BE PART OF YOUR CHILD'S EDUCATION JOURNEY

The best gift a parent can give their child is a few minutes of their time each day. Such memorable moments are precious and would be cherished by your child dearly. Talk to your child and support them. Extending a hand during times of need can change the course of someone's life.

I wanted to take a moment to thank our mentor, Mdm Soo Lan, for being there for us. Your presence and encouragement mean a lot to us, especially so for me, when you entrusted me to take up the role of a leader. Thank you to all parents and I greatly appreciate your support.

PSG Chairman - Ms Norain Binte Mohd Salleh (Ain)
